

IMPORTANT NOTICE

NEW GARBAGE COLLECTION

On **THURSDAY, OCTOBER 1**, GFL will take over residential/commercial garbage collection that the Town currently picks up. We are switching to bins with automatic pickup.

- Notes**
- every residence/small commercial will be provided with one 64 gallon bin unless otherwise notified by the Town- one bin should hold five to six bags depending on how big the bags are filled-extra bins can be obtained if needed-see below for the extra bin costs
 - Garbage collection will be on the **FRONT STREET**-bins must be placed on the front road 1 meter from any vehicles or obstructions (please see attached flyer)-for residences/business on Main Street garbage collection will continue in the back alley-for those places along Highway 855, the bin should be placed on the edge of the driveway
 - bins should be out by 7:00 a.m.
 - bins will not be collected for the following reasons:
 - overfilled-if the lid cannot be closed
 - unable to access-the bin was placed too close to a vehicle or obstacle for pickup
 - garbage bags left by the bins will not be picked up
 - the drivers take pictures of any bin that is not picked up
 - the week of September 28 is when the switch will take place-**GARBAGE COLLECTION WILL CHANGE TO THURSDAYS—the first pickup will be Thursday, October 1**
 - approximately 1 week before collection is to start, the bins will be delivered to your residence- they will be placed at the location where the bin should be placed for collection every week
 - recycling will continue to be picked on **Tuesdays**. (see attached flyer for items that can be recycled)
 - for commercial bin customers-there will be no change in service

- Costs**
- there will be no increase in the current garbage collection rates-the rates include bin rental, recycling pickup and the landfill requisition
 - the cost of a second bin will be \$18/month
 - please note that the landfill requisition is based on the weight that is sent to the landfill from the town-ways to reduce the garbage taken to the landfill include
 - recycling
 - mulching your grass-do not bag it
 - taking wood/garden waste to the burn pile at the Town yard West of Town by CPS (formally Viterra)
 - Please note that the Town also accepts electronic waste, batteries, and fluorescent lights at the Town yard-no furniture or appliances are accepted.

The decision to hire a private contractor was made on the basis of the condition/age of our garbage trucks, ongoing maintenance costs and the time required to collect garbage.

Please contact the Town office if you have any questions. 780-764-3929

IMPORTANT NOTICE

NEW GARBAGE COLLECTION

TOWN OF MUNDARE

TRASHTALK

Get the most from your services

PROGRAM START - October 1st

BLUE BAG COLLECTION:

- Weekly on Tuesdays

AUTOMATED WASTE COLLECTION:

- Weekly on Thursdays

USING BLUE BAGS REDUCES WASTE

Blue bag recycling collection is easy, efficient and eco-friendly. Using blue bags protects materials from the elements and prevents materials blowing around in the wind. Blue bags also allow a higher volume of recyclables to be placed out with greater ease, relieving you from trying to overstuff your black cart.

WHAT CAN I RECYCLE?

All acceptable items can be placed in the blue bag together.
The blue bag system accepts:

Newsprint/Heavy Paper: newspaper, magazines, phone books, catalogues, flyers

Mixed Paper: office paper, junk mail, shredded paper, etc.

Boxboard: cereal boxes, pasta boxes, etc.

Containers: food cans, beverage containers, hard plastics #1-7, deposit items

Corrugated Cardboard: flattened and folded beneath the blue bag
- no larger than 2 ft. by 3 ft. (60 cm X 90 cm).

Please place folded boxboard (cereal boxes, etc.) and smaller cardboard
INSIDE the blue bag.

NO Glass containers except deposit items.

info@evergreeneco.ca

PROPER CART PLACEMENT

AS EASY AS 1-2-3!

1. Place your cart out by 7 am on your collection day.
2. Position it facing forward (wheels to curb).
3. Ensure there's space.
Leave 1 m (4 ft.) on each side, between carts and overhead. In alley ensure 1 m (4 ft) from fence or garage. *(main street only)*

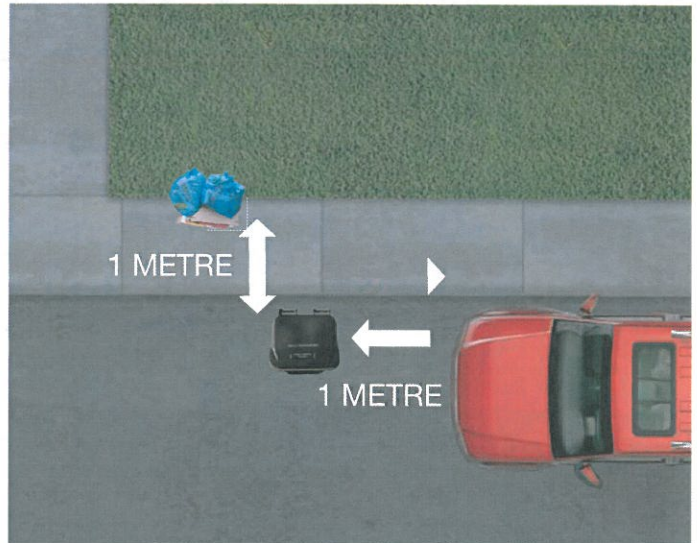

REMEMBER!

- Cart lids must close fully.
- Overflowing carts will not be collected.
- All refuse must fit in your cart.
