MUNDARE SCHOOL

Welcome spring!

You can tell spring has sprung! Everyone seems to have found a little more energy and the excitement about shedding all of our winter clothes is real. Staff and students have just completed their second round of progress reports and parent-teacher interviews. We are proud of the positive learning steps that our stu-

dents have completed so far. Even though there is a break, we encourage everyone to keep reading!

Great leaders start from great readers! Students were busy last month with basketball finals, public speaking, ice fishing, Wendy Brook, in addition to working on improving their reading and writing skills, and all of their work with numeracy and technology integration. After the break, we are also going to be con-

tinuing a tradition brought to the Mundare area by our Ukrainian pioneers – pysanka making. I am looking forward to seeing their interpretation of this ancient artform. Enjoy the sunshine everyone! Before you know it, everything will be in bloom. Think warm thoughts!
