**Thursday 10am-5pm**

**The library will be closed Monday on Victoria Day, May 20th.**

## MUNDARE SCHOOL

Welcome Spring!!

We can tell that warmer, longer days are finally emerging! Students are getting excited to spend more time outside and that includes using their bicycles in town. We are working with our students to review bicycle safety when they are out and about Mundare. We need to keep all of our citizens safe and happy!

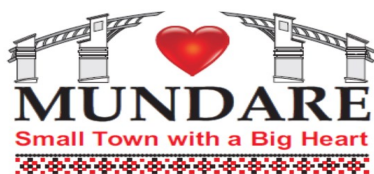

Our school hosted a very successful pysanka writing week with some encouragement from local

artist Mary Artymko. How fortunate for us to have some extra direction from a great local artist!

Provincial achievement testing is just about to begin for our grade six students. We wish them well with their examinations and know they will do well. In early May, Mundare community members who have put forward so much effort to make our school will also play host to our annual Volunteer Tea for parents, guardians and community members who have put forward so

much effort to make our school such a great place for kids. Staff and students are also waiting patiently to plant our annual garden by the school playground. We love to see things grow! Before you know it, June will be on our doorstep. We have a lot of learning to complete before that time is upon us. Pencils up, heads down and away we go! Enjoy the month of May and Happy Mothers' Day!

William Korec, MEd  
Principal, Mundare School
