

Town of Mundare

Hierarchy of Planning Documents

Description of Documents:

The Municipal Government Act governs, among other things, how municipalities manage and administer planning and development activities that occur within their communities

Intermunicipal Development Plan (IDP) – The IDP is a joint agreement between the Town of Mundare and Lamont County which outlines a cooperative framework for managing the use and development of lands adjacent to the boundary of Lamont, within Lamont County. *In Progress*

Municipal Development Plan (MDP) – The MDP is a long-range planning policy document which guides future growth and development within the Town.

Land Use Bylaw (LUB) – The LUB regulates the use and development of land in the Town.

Town of Mundare Main Street Architectural Guidelines – Architectural Guidelines are applied to any development occurring on Main Street.

Whitetail Crossing Architectural Guidelines – Architectural Guidelines are applied to any development occurring within Whitetail Crossing.
