Note:

1. Development includes a change in use of land or buildings and the construction, addition to or major alteration or renovations to buildings and any other development as defined in the land use by law.
2. A site plan showing all building locations, dimensions, distances between buildings and the property lines is required. A lot grade plan may be required.
3. Building, electrical, plumbing and gas permits are mandatory and the responsibility of the developer.
4. Location of gas electrical, water, sewer and TV cable lines is the responsibility of the developer. You must contact the utility companies to ensure no encroachment exists.
