MUNDARE SCHOOL

February was a month full of kindness and great citizenship. Students participated in a variety of activities and conversations to promote kindness and caring in our community school. International Pink Shirt day was observed by all staff and students at Mundare School. Way to Go!! As well, our youngest learners were busy celebrating the 100th day of school with all sorts of creative activities and stories to promote numeracy and literacy skills. March is shaping up to be equally busy, as usual.

The culmination of basketball season, the Speak your Mind competition, spring progress reports, parent-teacher interviews, the Wendy Brook festival, skiing and swimming field trips will make the time just fly by!!

If you are interested in volunteering in some capacity at

our school, please call the office and let me know. We are all anticipating warmer weather, longer days and an opportunity to wear some lighter clothing. March can be a very temperamental month- in like a lion, out like a lamb, as they say.

Lets hope for a sunny and warm month!

Don't forget to check out our school website and monthly newsletter to stay in the know. A special thank you to Servus Credit Union for their very generous support of almost 300 dollars which will go towards our home reading program. What great community partners.
