WHATS NEW

Mundare is declared **BEST SMALL TOWN** in Alberta by Edmonton radio station TSN 1260 ran on Post – Show with Dustin Nielson. For more information please see the article in the Lamont Leader or Mundare facebook page, or later on our web site.

Mundare councilor Jason Kowal is trying to help out local businesses in and around our community. His plan is to recognize 19 businesses over a 9 1/2 week period with a contest “Love-19”, giving away gift cards for people to spend at these businesses.

People can nominate a business on Kowal’s Facebook page and they can enter the contest to win one of the gift certificates. The first week two winners won gift certificates for the corner pub and for Whitetail Mechanical. Other businesses have stepped up and supplied gift certificates as well.

Jason says people can enter the contest or nominate a business to support on his facebook page.

The planned local improvements for the Whitetail crossing area will be going ahead this year as planned.

Playgrounds are still closed at this time. Thank you to those who are respecting the signs.

Hawaiian pizza was actually invented by an Ontario man, not by the Hawaiians.
