Our next meeting will be held on Monday, August 17, 2020 at 1:00pm in the council chambers. Later in September we will be changing the soil in the planters, as much is rootbound. We will be

looking for volunteers to help us with this project. Have a great August.

MICC Bus Update- We have received word that the new 20 passenger, wheelchair accessible bus ordered for Mary Immaculate Care Centre should be here by the end of August. The bus, valued at \$170,000.00 is funded by a Government of Alberta CIP grant of \$50,000.00 and funds from the Mary Immaculate Hospital (Mundare) Foundation. Through the generosity of several local organizations, municipal governments, businesses, MICC residents and families, and individuals. We have raised almost \$20,000.00 in donations. The balance will come from the Foundations funds. Anyone still wishing to donate can do so through a cheque to the "Mary Immaculate Hospital (Mundare) Foundation and sent to the Facility at Box 349, Mundare TOB 3H0. We appreciate all financial contributions.

The current garage at the facility is too small for the new bus and is not up to building code standards, making its upgrading cost-prohibitive. Therefore we are proceeding with the construction of a new garage and hope to have it built in a timely manner.

Mary Immaculate Auxilliary

Even though the Mary Immaculate Care Centre remains closed due to COVID-19, the Auxilliary has found several ways to connect with the residents & staff:

Parades: Auxilians decorated their vehicles and joined with families and friends participating on both the Mother's Day and the Father's Day parades at the Care Centre. Everyone had a great time calling out greetings and waving colourful signs (while following COVID-19 rules, of course). The parades were a wonderful morale booster for all involved!

Thinking of you: Auxilian volunteers are providing residents with a bit of cheer by sending each one personalized notecards as well as texts or phone calls as appropriate.

Giant Mother's Day poster: and display was erected in the planter outside of the residents' dining room window for all to enjoy. For Father's Day, the planter was filled with flowers, balloons and pinwheels in celebration of the day.

Planters & Flowerpots: Each year, the Auxilliary fills and maintains three "Castle" planters and 4 giant flowerpots around the Care Centre. This year, Darvonda Greenhouse generously donated the majority of the annual flowers, with the Auxilians, providing a few annuals and perennials to complete the project. The flowers are looking GREAT!

This annual project is possible through the generosity of Darvonda Greenhouse (flowers), Communities in Bloom (flowerpots) and the community of Mundare and surrounding area whose support of Auxilliary fundraisers made it possible for us to purchase the planters and seasonal décor that the residents enjoy so much. THANK YOU everyone.

Next Auxilliary meeting: (tentatively) Monday, September 7 @ 1:00pm. Location TBA.

FUN FACTS :

Don't be fooled by the name! The first Boston Pizza was opened by Greek immigrant Gus Agioritis in Edmonton, and it was called the Boston Pizza and Spaghetti House. Nothing screams "Boston" like Alberta, right? (Not that anyone's complaining — mmm, pizza.)

Amelia Earhart and Eleanor Roosevelt once [ditched a White House dinner](#) party to go on a joyride flight to Baltimore.

There's a high school in Minnesota that gives service dogs [yearbook photos](#).

There are trees that can grow more than one kind of fruit, and they're called [fruit salad trees](#).

In Queensland, Australia, it's [illegal](#) to own a pet rabbit unless you're a magician.

Babba Jokes:

Did you hear the rumor about butter? Well, I'm not going to spread it!
 A little girl was watching her mother wash dishes when she noticed that her mother had a few white hairs. She asked her mom why she has white hairs. Her mother replied, "every time you do something that makes me sad, I get another white hair". The little girl thought about this for a few moments and then asked, "mommy, why are ALL of babba's hairs white?"
