## MUNDARE SCHOOL

*November is a time of quiet reflection after harvest, Hallowe'en fun and all of the warmer fall days. It is also a time to reflect on the many sacrifices Canadians have made to make our country to safe place to live for all.*

*We often take life in Canada for granted, but even having the opportunity to attend school is a privilege that kids in different places in the world do not share. We are grateful for many things and we bow our heads collectively on November 11 to remember those many individuals who have and continue to make this our reality. Students will be observing Remembrance Day virtually in their classrooms this year.*

*November break is right around the corner-so school will be out for the week. Don't forget to keep reading over the break.*

*In a few weeks, it will be Bullying Awareness week in Alberta and Mrs. Sawatzky, our school counsellor has many daily activities planned to increase our understanding about the effects of bullying and being the best person you can possibly be!*

*Have a warm and wonderful November! Christmas will be here sooner than you realize!*

*William Korec*

*Mundare School Principal*

### **FUN FACTS : Boston Pizza was actually founded in Edmonton.**

Don't be fooled by the name! The first Boston Pizza was opened by Greek immigrant Gus Agioritis in Edmonton, and it was called the Boston Pizza and Spaghetti House. Nothing screams "Boston" like Alberta, right? (Not that anyone's complaining — mmm, pizza.)
