## Recycle Yard

No we do NOT accept grass clippings or yard debris, those need to go in your grey bin, we do however take branches, and trees, small appliances & batteries. Open every third Saturday of the month 10am-12noon

## Dog Park

As of now All animals should be licensed and when not in your yard they need to be on a leash as per bylaw 874/16. Fee for unlicensed a or at large animals is 75.00 The town did plan on building a dog park last year, but the fencing got stolen from our compound, so the park could not be built.

We are gathering information to see:

Would you like to see a dog park in town?

Do you think it would be used much if we had one?

Where do you think would be a good place for one?

Please send your feedback to Jason Kowal at : [jjkowal@telus.net](mailto:jjkowal@telus.net)

The weather has been quite mild, for Alberta standards, and April just flew right by! I hope that everyone is trying their level best to stay healthy and continue to support the health measures that keep us all safe!

School life continues to move forward with students busily engaged in the last leg of their learning for this school year. Many are focused on achieving their literacy and numeracy goals and have made incredible gains this year. We are proud of our students!

As all of the snow recedes, we can see on our playground and also our town, that some things have come forward from beneath the snow, or have simply blown in with seasonal winds. We are very happy that the community comes to use our school playground on the evening and weekends, as the playground is a great addition to the outdoor spaces available to resident's. We ask that all users respect the school yard and playground space and deposit any masks, garbage, etc. into the containers provided. Thank you, everyone, for helping us keep this space safe for all of our students and for all residents, young and old, who come to this space after hours.

Soon, it will be time to get our hands in the garden and spend additional time on the deck. Enjoy the increasing hours of sunlight and an early Happy Mother's Day to all.

Principal

# LIBRARY NEWS

With heavy hearts, the family announced the sudden passing of Pat Tompkin in her home in Mundare on April 10, 2021.

Pat served on the Mundare Library's Board of Trustees for approximately 30 years. Volunteers like Pat had the foresight and determination to organize a library for the community. As one of the founding Trustees, Pat donated her entire collection of books and substantial shelving to help with the library's initial start-up.

As an avid reader, Pat enjoyed holding an actual book while she read her favorite mysteries and classic literature. Pat offered suggestions for book purchases for the library, often recommended to her by her sister Beatrice. When Pat found a good book, she passed it along to fellow Board Member and friend Lois Zyla to read.

Pat was active in library fundraisers and volunteered countless hours working on the annual

calendar. Her gardening skills came in handy for Agri-daze and her love of baking, especially her gingerbread cookies, were a highlight at the Library's Christmas Extravaganza. In July of 1996 the first cookbook "A Taste of Mundare" was published as a library fundraiser; "Taste of Mundare Volume 2" followed. Funds from the sale of the cookbooks made it possible to expand and improve the library service.

Covid restrictions prevented the 25th anniversary celebration of the founding of the Mundare Municipal Public Library. We, the Board of Directors/ Mundare Library Board Trustees/Library Managers past and present, are saddened by Pat's passing and are considering various ways to honor her work with the library.
