## MARY IMMACULATE AUXILIARY

*1971-2021  
50 years of service*

As COVID restrictions continue, the Auxilians remain busy with independent volunteer activities for Care Centre residents.

Spring Décor: Volunteers decorated Care Centre planters with ducks and spring décor.

Easter: Easter cards, chocolate bunnies and spring flowers were given to each resident.

Mother's Day: Each resident received a Mother's Day or a "thinking of you" card. Auxilians had fun participating in the Mother's Day parade organized by the Care Centre.

Father's Day: Auxilians are planning to bring a little joy to the residents with small gifts and by participating in the June 17th Father's day parade at the Care Centre. Activities are still in the planning stage.

Summer: For the residents' pleasure, Auxilian volunteers will once again be filling the planters and pots at the care Centre with annual flowers and greenery. With the generous support of the Community, the Auxiliary has been able to provide these small pleasures for the residents.

MICC Bus: We are happy to report that Care Centre residents are now making use of the new bus for Country Drives. We are certain that the residents are delighted to get out in the countryside during this wonderful time of year. Thanks to Community support, the Auxiliary was able to make a donation towards the purchase of the bus.

It appears that June may bring the relaxation of some Covid restrictions. The Auxiliary is hoping to have a meeting before the members begin their busy summer time activities.

## MUNDARE SCHOOL

Well, June is finally on our doorstep and the extra sunlight, warmer weather, and the fact that everything around us is actively growing puts us all in a slightly better mood.

Hooray for spring!!

The students at Mundare School are busily completing their school work as they head towards the finish line of June 25th. We just returned to regular face-to-face schooling and it is great to see everyone again. Fingers crossed that things will be closer to our regular school routine in the fall.

Parent Advisory Council and our Mundare School Society will be hosting their AGM's in

early June 2021. We encourage parents to attend via Zoom. If you know of any new families moving into the Mundare area, please encourage them to call or email the school.

To all the dads, uncles, and grandfathers out there— an early happy Father's day to you. Make sure you out aside some time to share some stories about school life before i-phones and I-pads. Time to fire up the BBQ! Have a great June and enjoy the great outdoors! Don't forget about that important reading time each evening!
