## MARY IMMACULATE AUXILIARY

### BACK IN ACTION!!

Yahoo! The Auxiliary is happy to announce it is back in action and the Mary Immaculate Care Centre. In order to assist with resident activities, Volunteers were required to attend a Volunteer Orientation to become familiar with Covid guidelines and safety measures practiced at the Care Centre.

Our first Auxilian chose bowling as her first reentry activity. A popular activity, with some friendly competition thrown in, the residents concentrated hard on knocking over the high scoring pins. From having fun to seeing familiar "faces", everyone had a great time. Next week, another Auxilian will be assisting with the walking program. Residents look forward to participating in this morning program because they say, the exercise helps to loosen their muscles and they feel better all day.

Bingo is undeniably, the favorite activity of Mary Immaculate residents who love the competition, the camaraderie and, of course, the prizes! Auxilians are looking forward to enjoying bingo with the residents beginning next week.

Besides the resident events, the Auxiliary has been warming up its

volunteer spirit with other activities.

The Auxiliary held its first meeting in over a year. The agenda was short with a few summer time activities discussed followed and by an abbreviated Annual Meeting & election. Congratulations and thank you, to the Executive for their commitment to Auxiliary projects and ideals. June 18th found Auxilian gardeners busily filling the planters and pots at the Care Centre. Many thanks to Darvoda Greenhouse staff for their assistance. It is amazing how the flowers have brightened the outside of the building and uplifted the residents' spirits. Residents and staff hurried outside to take in the gorgeous flowers and to express their thanks to the volunteers. The beautiful potted tomatoes & cucumbers donated by the greenhouse was the "icing on the cake". Now to re pot the plants and wait patiently for the results!

We wish the community could see how happy the residents are, not only to see the flowers and vegetables but, to receive a gift of any kind, even a greeting card. To know that someone cares, means the world to them.

*You have never really lived until you have done something for someone who cannot repay you. –on their behalf, Thank You!!*

#### Volunteer Opportunity

The Mundare Public Library Board serves the Town of Mundare and surrounding area. While the library receives funding from a variety of sources, including the Town of Mundare, the Library Board operates independently governed by a Board of Trustees. The Mundare Library Board has a volunteer opportunity open to anyone interested in helping showcase our library. The Board meets four times a year and works closely with the Friends of Mundare Library Society. If you would like to share your love of reading and are interested in enhancing literacy in Mundare and area, please submit a letter of interest to Lillian Sabo, Board Chair at [asabo@mcsnet.ca](mailto:asabo@mcsnet.ca)

## COMMUNITIES IN BLOOM

We have undertaken the enhancement at the south side "Welcome to Mundare" sign. Our member Bob Gratton, designed & spear-headed this project. Many volunteer hours were spent doing the ground work with the assistance of Mike Nowicki, Debby Gratton & Charlene Nowiski. The committee spent one hot morning, pruning & trimming the trees at the site with the help of Frank Howard. The project will be completed when we will be able to place sod around the area. A Big Thank-you to all involved.

The concession booth at Victory Park is operated by us during ball tournaments. Volunteers are always welcome.

To volunteer with the concession phone Bob at (780)221-6404.
