## BASILIAN FATHERS MUSEUM

The Basilian Fathers Museum, in collaboration with the Town of Mundare and the Ukrainian Canadian Congress-Alberta Provincial Council, celebrated the 130th anniversary of Ukrainian settlement in Canada on Saturday, September 11. In spite of the weather, there was a good turnout of both visitors and vendors. During the short opening ceremony guided by MC Amber Zyla, greetings were given by mayor Mike Saric, MLA Jackie Armstrong-Homeniuk, Consul General of Ukraine Oleksandr Danyleiko, UCC-APC president Orsysa Boychuk, and Bishop David Motiuk. Thanks to the community businesses who supported our event, and to our great team of volunteers who helped with setting up tents and tables, for making our (first annual) Farmer's Market Hands On History a success!

There was also a short discussion with Deserrie, Lillian, and Larry Ruptash, about their movie "They Who Surround Us."

## MUNDARE SCHOOL

It's hard to believe that October is on our doorstep and that time with family and friends at the lake has all come to an end! Our school start-up this September has been a very successful one. Students were excited to see their friends and their new teachers. Everyone is settling into their school routine and academic setting goals for the year. We have a few new staff members at Mundare School. Ms. Alissa Roy is our new junior high teacher. Miss Kristy Giebelhaus is our new school counsellor and Mrs. Bartsch has taken on new duties as our school secretary. In addition to this, we have some other employees joining our school family temporarily – Mrs. Nicole Suchy and Mrs. Delores Smith. They are all great additions to our team and we are very happy to have them join the Mundare School community. As you

are aware, with the newest round of restrictions, we are adapting back to some of the ways we did things last year. Parent council will be virtual for the next little while and the upcoming Parent-Teacher interviews will be similar to last year. We will share more information as this date gets closer. Our goals include keeping everyone safe during this time – and we have been quite successful with the support of our parents. Harvest is almost done and Thanksgiving is quickly approaching, as well. I hope that you and your family are all safe and healthy and that you make time to visit your local library or go online and read an e-book to stimulate your imagination. Happy Thanksgiving!

Principal

However, upon further discussion funds will not be used to purchase a new library sign at this time. Rather, the Friends of Mundare Library will support funding requests from the Mundare Library Board for programs/equipment/supplies and materials

The Friends would like to **thank** the Town of Mundare and Mundare Municipal Council/Mayor for providing the opportunity for us to host the inflatable Bouncy Castles at the August 21st Agri-Daze celebration.
