Today was a great day at Mary Immaculate Care Centre...we had a chance to take a photo and say thank you to Val and Cindy, two quilters from the Chicken Coop Quilting shop in Mundare. Val and her team of quilters, the Kalyna Country Quilters Guild, mad up 30 quilts for the residents last winter, in the heart of the pandemic lock down. They then continued to sew up 65 more quilts for the entire staff at Mary Immaculate Care Centre. The quilts brought much joy and color to the lives of each of the recipients during a very challenging time. What an amazing way to express "Thanks for a tough job well done: during this pandemic. These ladies love doing what they do and there are always new items in the quilt shop to consider for gifts at any time of the year...and you do not need to be a quilter to enjoy these items!!

# MUNDARE SCHOOL

December has arrived and the tempo of school life and home life has definitely picked up! Student progress reports were issued last week and it is a great opportunity for students and parents to re-evaluate strategies and celebrate their success!

This year, our school will continue with supporting the Lamont County Food Bank as part of our community outreach. Mundare School families have always been very generous and we encourage all town residents to support this worthy local cause. By making a small donation (financial or food item), you make a great impact locally! We thank you, in advance, for supporting this initiative.

December will be a very busy month with a few skating opportunities, a rec swim, some yoga time and a student winter carnival!

December truly will fly by! I hope that the weather behaves and that you get a few moments to head to your local park or to Elk Island Park and spend some quality family time taking in some fun winter activities.

**The staff and students want to wish everyone a very happy and healthy 2022!  
All the best to you!**
