Al-Anon meeting

Our personal situations may be different, but we share as equals because of what we have in common: our lives have been affected by another person's drinking. Al-Anon is a mutual support group.

We can find understanding and support when we share our common experience with each other. Some of us are here because a spouse or partner has struggled with alcoholism. For others, the problem drinker is a parent, child, or grandchild. Sometimes a brother, a sister, or some other friend or relative brings us to Al-Anon. Many of us have had more than one alcoholic family member or friend.

Starting July 13 at 2:00pm at Chesterton House (old Hospital) located at 165016-Polomark Drive. Please use west side doors as the other doors are locked and a private residence.
