LAMONT COUNTY REGION PROGRAMS

Wildfire Home Protection Kits

As the snow begins to melt and the tinder dry fuels are exposed before green up, ensure you are doing all you can to protect your property from Wildfire.

Did you know?

Many homes lost to wildfire burn because of windblown embers. These spot fires often occur many miles from the fire itself, even if the fire is contained. It makes sense that one of the smartest ways to help protect your home is to keep the roof and surrounding area wet.

Lamont County Emergency Services, in partnership with the Alberta Fire Chiefs' Association and WASP, has Wildfire Protection Kits available for IMMEDIATE PURCHASE.

\$178 (Incl. GST) per Kit
(\$169.52 Before Tax)

Each Kit Contains

- 2 Patented high quality WASP gutter mount units
- 2 agricultural grade wind fighting Sprinkler heads
- 2 Facia/Fence Brackets (for homes without gutters)
- 2 Forestry grade 25 foot hoses

These units have a 30-foot spray radius. (Typical home will require 1-2 kits for maximum protection)

Kits can be picked up at the Lamont County Administration Building during regular business hours on a "first-come, first-served" basis.

MUNDARE SCHOOL

We have finally turned into the final few weeks of school and it's time to complete our learning and to celebrate!!

I am so proud of the work of staff and students as they focused on literacy skills this year. Students have demonstrated considerable growth in all areas and that is excellent.

We are also happy to have more regular features of school life return, Line track meet and field trips this year. It feels good to have those features back that we all took for granted.

This month is my last month at Mundare School

and it is one with very mixed emotions. I know that I will miss the students, staff, and the many friendships I have made in the community. Mundare school is a special place and I feel very fortunate to have spent time as Principal leading during such challenging times in the world. We have, as a community, lived to the school motto—be brave! Be strong! Our students were very perceptive in choosing this motto, even before the pandemic.

I wish everyone a very fulfilling upcoming summer break and good luck with future endeavors, and as always, please make time to read with your children
