## LIBRARY NEWS

Mundare Agri-Days was a huge success for the Mundare Municipal Public Library. Thank you to everyone who supported the efforts of the Mundare Library Board and the Friends of the Mundare Library. The library participated in the parade, held a book sale, a silent auction and hosted the Bouncy Castle Fundraiser. Thank you to the Town of Mundare council and staff for their continued support and assistance in our fundraising efforts.

Mundare Library is primarily funded by Alberta Municipal Services, Town of Mundare and Lamont County Library Board. The board of trustees is very appreciative of the financial support we receive. Access to increased financial support is required to offer relevant programs and services which benefit the community. Thank you for supporting our events and activities sponsored by the Friends of the Library.

**To learn more about the Mundare Library you are invited to join us at the FCSS Lamont County Region Community Awareness at:**

**Mundare Elementary School**

September 14, 2022 5-7pm

There will be prizes and a chance to win a One Year Library Membership. Membership in the Northern Lights Library system gives patrons access to over 550,000 physical items, 95,000 eBooks and 25,200 e-Audiobooks. Access is also

available to a streaming service of albums, movies and TV programs, online newspapers, magazines and much more.

The little Free library retro blue fridge was on site from August 15 to August 29th. The primary goal of the little free fridge is to increase accessibility to books in our community. Now that the fridge has moved onto another library, a selection of free books will be available near the library entrance.

Books for sale at \$1 for hardcover and 50 cents for soft cover are available inside the library.

On August 22, 2022 the Library partnered with FCSS for a summer reading program. 20 participants and 5 adults were on hand for Seeds of Kindness which was held outdoors just south of the town office. For more information on programs offered by the library, please check this newsletter or contact the library.

If you need assistance in ordering items on TRAC or any other library related mater, please contact me Tuesdays and Thursdays from 10am-4pm.
