ELECTRICITY METER UPGRADES

ATCO will soon be in your neighborhood to upgrade your electricity meter. The new meters will allow us to continue to provide safe and reliable electricity and expand on the services we can provide to you.

Questions? Visit Electric.ATCO.com/AMI or call 1-800-668-2248

AMI meters — How do they work?

ATCO

Our meters use a radio frequency (RF) to receive and transmit information, but the RF emissions from our meters are minimal and aligned with Health Canada Standards. According to several studies, there are no health risks from our meters, due to low power signals, proximity to you and your family, and there are only short bursts of activity rather than continuous.

Your exposure to radio frequency EMF from smart meters is very low. This is because:

- smart meters emit relatively low power signals
- there is distance between your body and smart meters
- smart meters transmit data in short bursts, not continuously
- when smart meters are not transmitting a signal, they do not emit radio frequency EMF

You do not need to take any precautionary measures to reduce your radio frequency EMF exposure from smart meters because the exposure levels are far below Canadian safety limits.

Need more information?

LIBRARY NEWS

Town of Mundare Library—Free Library Cards

Anyone living in Mundare and surrounding area is eligible for a free library card. The library cards are valid for one year from the date of issue, unless revoked by the Library Manager. Library cards need to be renewed annually.

Responsibilities of a Cardholder

- An application for TRAC/TAL must be completed (available at the library), along with one piece of ID bearing the applicant’s permanent address.
- The cardholder named on the card will be the only person who may use the card, unless an alternate person is designated, and registered at the library.
- The card holder is responsible for all library items borrowed on their card and will compensate the library for all library items damaged or lost while borrowed on their card.
- Cardholders who have reached a maximum fine of \$10.00 will not be allowed to borrow resources until the amount is paid.
- Cardholders are responsible for checking their email for overdue notices issued by the Regional Library System (NLLS)

Library Programs for February 2024

10:00 a.m. to 11:00 a.m.

Preschoolers (accompanied by an adult) welcome to attend- Please contact the library to enroll your child to ensure there are enough craft supplies.

Monday , February 5, and February 26

The programs begin with story time

Library will be closed Monday, February 19—Family Day

The Friends of the Town of Mundare Library raise funds used to support library programs. Donations to the friends of the Library Society E-mail: jodieconley77@gmail.com (780) 764-2370

MUNDARE SCHOOL

Kindergarten Registration Now Open!

Is your child turning five on or before Dec. 31,2024? If so, it’s time to register for kindergarten.

To help families prepare, Elk Island Public Schools has put together an on line EIPS Kindergarten Tool kit to make the transition as smooth as possible. The kit includes information on registration, important dates, programming options, what to expect, eligibility, how to find your designated school ,transportation and more.

Additional information regarding Mundare School’s kindergarten program s available at www.mundareschool.ca.
